SECTIE ENERGIE EN KLIMAAT
VAN DE
NEDERLANDSE NATUURKUNDIGE VERENIGING

nederlandse

natuurkundige vereniging

PROGRAMME

1. 9:00-9:25 Coffee and Tea - Door is open
 2. 9:25-9:30 Welcome and Introduction
-

Processes

3. 9:30-10:00 Frank Selten, KNMI, Processes of Local Climate Change
 4. 10:00-10:30 Aimée Slangen, NIOZ,
Causes of Global and Regional Sea-Level Changes
 5. 10:30-10:45 Questions and Discussion
-

6. 10:45-11:00 Tea an Coffee break
-

Models

7. 11:00-11:30 Rob van Dorland
Summary of the Latest Results from the IPCC, KNMI
 8. 11:30 -12:00 Hiske Overweg
En-ROADS Climate Workshop, WUR
 9. 12:00-12:15 Questions and Discussion
-

10. 12:15-13:00 Lunch
-

Observations

11. 13:00-13:30 Gert-Jan Reichart
New Observation Vessels for Sea-Going Expeditions,
Observations and Paleoclimatology, NIOZ
 12. 13:30-14:00 Ilse Aben
Satellite Observations : Methane is 'Hot', SRON/VU
 13. 14:00-14:15 Questions and Discussion (Observations)
 14. 14:15-14:45 Questions and Discussion (Processes, Models and Observations)
 15. 15:00 End of Symposium
-
